# Toronto Nisei Aids Shipment Of Polio Vaccine To Japan

TORONTO.—A Nisei lab technician at the University of Toronto's Connaught Research Laboratories has been mainly responsible for a shipment of syrup-like polio vaccine which arrived at Tokyo's Haneda Airport last week.

This shipment of TYPE I vaccine is enough to protect 17,000,000 Japanese children from the cruely crippling and often fatal polio disease.

Frank Shimada, the Nisei lab technician who is second in command at the Connaught Labratories on Spadina Ave., visited Japan last summer to conclude arrangements for this shipment with Japanese Health Ministry officials.

The vaccine shipped from Toronto in 55 tightly sealed cartons was quickly shipped away in refrigerator trucks for storage in Tokyo upon its arrival at Haneda Airport. Japanese officials had previously taken and tested a sample of this vaccine and having already gained their approval, the vaccine was promptly checked and wisked away.

When a polio epidemic spread through the Kyushu district last June, 13,000,000 children six years and under, were given a similiar vaccine with the results proving quite successful. Polio patients in Japan as of the end of 1961 numbered 2,458 some 3000 less than the total at the same time the previous year.

Health officials stated that they expected this new shipment of Canadian vaccine to further reduce the number of polio patients in Japan.

## Nisei Baritone Gives Recital In Tokyo

TOKYO.—Vancouver-born Nisei baritone, Satoshi "Sally" Nakamura, gave a recital of English ballads, folk songs and selections from operettas and musicals at Yamaha Hall yesterday.

Trained in Canada, Nakamura since his arrival in Japan in 1940 has had a varied career, appearing on the concert, radio, television and screen.

He gave his debut recital in April 1941 at Nihon Seinenkan. After graduating from the Nikkatsu Actors School he appeared at the Kabukiza in the role of Escamillo in "Carmen" produced by the Fujiwara Opera Co. Later, he became a Toho star and appeared with Kazuo Hasegawa at the Takarazuka Theatre and in 1954 spent two months on location in Rome to take part in the joint Japanese-Italian film production of "Madame Butterfly."

He also traveled with the Fujiwara Opera Co. when it toured the U.S. and Canada in 1956.

## Japanese Whale Boats Expected By April

VANCOUVER. — Two fast Japanese-built whale catchers, which will join the whaling operations of Western Canada Whaling Co. this year off the west coast of Vancouver Island, are expected to arrive here before April 1.

The Seki Maru No. 3, of 307 gross tons, and Katsu Maru No. 5, of 355 gross tons, are both about 130 feet long. They are powered by heavy-duty single screw Japanese diesel engines of 1,600 h.p., giving a top speed of 14 knots. Both have operated on the Antarctic whaling grounds.

On arrival here the two vessels will go on the ways for survey and inspection, prior to transfer to Canadian registry. Fishing vessels are permitted into the country duty free, subject only to a possible dumping duty. The whaling equipment, despite the fact that it is not made in Canada, is subject to duty of 20 per cent.

The company will bring in Japanese captain-gunners for the new boats which are equipped with special electronic detecting gear. Japanese engineers and mates will also be employed temporarily on the vessels to instruct Canadian crews to man them.

It is planned to process and ship whale meat from the Coal Harbor plant to Japan for human consumption.

Cold weather has been a problem to coast herring fishermen during the past week, who found their nets freezing after every set. They would then have to be salted and it would take hours of thawing before another set was possible.

## U of T Girl Represents Japan At U.N.

TORONTO.—Miss Atsuko Kamitakahara of 367 Berkely St. and a student at the University of Toronto will, along with three male classmates, represent Japan at the United Nations.

This UN session however, will not take place in that towering building overlooking the East River, in New York, where tomorrow's news stories are made today. Rather, this one will take place in Montreal, on the shores of the St. Lawrence River.

Miss Kamitakahara will travel to the University of Montreal, with fellow members of the U. of T. United Nations Club to take part in a model assembly of the real thing. A group representing Norway will also leave from the U. of T.

Similar student organizations from various Eastern Canadian and American Universities and colleges will take part in student-sized UN session to be held in Montreal on February 6th.

The three other representatives of Japan are: Harry Freedman, Jack Bates and Paul Cozzie all of Toronto.

## Stone Lanterns

The city of Matsue, on the eastern shore of scenic Lake Shinji in western Japan is known by its association with Lafcadio Hearn, the Greek-born American writer who lived there from 1890 to 1891 as a teacher of English in a local high school.

Hearn, whoo took the name of Koizumi Yakumo after he became a naturalized Japanese, wrote several books to explain Japan to Western readers.

The city of Matsue, which Hearn called the Geneva of the Orient, is also noted for its Izumo stone lanterns made of stone peculiar to this region. These lanterns which today are generally ornamental in purpose, are being exported in increasing numbers.

The stone used in the making of the Izumo lantern is an aqueous rock called the "kimachi-ishi" and is found in Japan in only Matsue and its vicinity. This stone is not very hard, enabling the mason to do detailed artistic work on it with relative ease.

The "kimachi-ishi" is dark in color, thus giving an object made of this stone a rich appearance of age. It is also relatively cheap, costing less than a third of granite.

Stone lanterns developed from torches and bonfires which were lighted at shrines and temples. The oldest existing stone lantern is at the Tomaji Temple, erected in the year 682. Gradually stone lanterns came to be used in private homes and, being expensive, were regarded as a sign of wealth.

Stone lanterns come in different shapes and workmanship. All, however, consist of the foundation stone, the round pillar which is frequently decorated with carvings, the shelf upon the pillar, the light box, and the roof on top with an ornamental ball at the center. The foundation and the roof come in triangles, squares, diamonds, hexagons or octagons. The six-sided shape is the most numerous.

The names of flowers are given to the various shapes. The hexagonal "yukimigata" or snow-viewing lantern is called Narcissus, the five-stooried pagoda type is Magnolia. The stone lantern in most popular demand abroad is called the cherry blossom and is in the Korean snow-viewing shape.

The Matsue stone lanterns first attracted the attention of the Allied Occupation Forces immediately after the war when their replicas were sold as household ornaments in souvenir shops.

Today, the real, regular-size lanterns are in demand, some standing over 10 feet. Ninety per cent of the stone lantern exports go to the United States. West Germany is also a good buyer.

Some of these export stone lanterns have made a concession to modern age by being equipped with electric lighting.

Stone lanterns amounting in value to nearly 150,000 dollars have been exported so far this year. The 30 stone lantern manufacturers in Matsue are constantly kept busy filling these foreign orders.

The machine has not invaded this field of stone masonry. The chisel and the hammer are still the tools. There is no mass production; a Matsue mason takes four days to make a three-foot stone lantern.

There are many master artisans in Matsue who have been in the stone lantern business since their early youth. Seventy-year-old Mr. Kenichi Miyazaki is one of them. Last year Mr. Miyazaki stayed three months in the United States and Canada giving demonstrations of stone lantern making. He appeared on television several times.

## Japanese Delicacies Include Bees, Ants

TORONTO.—There were two main attractions earlier this week at the reception given by the Consul of Japan and Mrs. Kazuhide Komuro in honor of His Excellency Mr. Nobuhiko Ushida, Japanese Ambassador to Canada.

The first was the charming Ambassador and the second the array of cocktail delicacies now exported from Japan.

Those sampling them remarked on their tastiness and the table was surrounded by the curious.

Exported in sardine-type cans these delicacies consisted of baby bees, caterpillars and ants fried in oils; broiled sparrow, chopped seed bites and chocolate covered ants.

These were for nibling. For the heartier eater plates of hot sea foods were passed and included oysters with cheese sauce baked in their shells.

Among the many who attended the party were: noted Toronto dignitaries, consuls from other lands, a few Provincial cabinet ministers and members of the Japanese Canadian community.

## Foreigners Beginning To Appreciate Sumo Wrestling

TOKYO. — Sumo, Japanese style professional wrestling with the mammoth topknot performers, is no longer a Japanese monopoly spectator-wise.

Throughout the years, especially in the postwar period, some foreigners have gone to the Kokugikan arena to see the sumo tournaments. But they were mostly motivated by curiosity as if to do one of the tourist sites in Tokyo.

They invariably quickly tired of the "shikiri"—starting procedure in which two wrestlers crouch, glare at each other and then walk back to their corners repeatedly before doing battle at the expiration of the time limit. And they left after watching two or three bouts.

In the past several years, however, I have known the existence of some real sumo fans among foreigners. Television, of course, has helped to increase the number of sumo fans in the foreign community.

It was most interesting to learn a few days ago that the Far East network of the U.S. Armed Forces receives telephone calls daily asking results of the tournament now going on in Tokyo.

There are quite a few members in the foreign community who make it a point to watch the bouts daily on television. I would say they are more comfortable, sitting in easy chairs at home or at bars, than spectators at the crowded arena.

Spectators at the arena squat, four to a small matted box. This is most difficult for foreigners. There are chairs in the balcony on the second floor. Foreigners should ask for these but they should be equipped with opera glasses to obtain closeups of the wrestlers.

The false starts may bore you. But once you understand the psychology back of the starting process, it is not so dull. The wrestlers are being given time to work up their fighting spirit or to plan strategy. At any rate, the purpose is to enable both contestants to start at his best on equal terms.

At one time, there was no time limit in the shikiri. It was entirely up to the two wrestlers to rush at each other. Of course, there were some who took an unusually long time to rush at each other.

There is an old story that two spectators suddenly found it necessary to go to Yokohama. To their surprise on their return to the arena, they saw the same two wrestlers still engaged in the shikiri.

Of course, there were some side attractions. Geisha girls made it a point to go to the arena and spectators looked at them between bouts. There also was a lot of sake drinking by the spectators.

The tournament dragged too long and the directors of the Japan Sumo Association finally laid down a 10-minute limit for the shikiri. This was subsequently reduced to the present four minutes.

## Wakayama Nets Four Goals But Yamada Still Beaten

TORONTO. — Despite a brilliant four-goal effort by Joe Wakayama, Yamada Studio lost their fourth game in a row, when George Anzai netted a goal with less than a minute remaining to give Mickey Sato a 5-4 win, in the first game of last Sunday's action in the Toronto Nisei Hockey League.

Wakayama put the Photographers up 2-0 in the initial period; but before the stanza ended Anzai had potted the first of his two markers, to cut the lead to half.

In the middle frame Tak Tanaka and George Shimono netted markers for the Insurancemen with Wakayama adding his second tally. Then in the final period Wakayama fired his third and fourth goal of the night to put Yamada out in front. However, Tak Tanaka came back with his second of the night well on into the period to set the stage for the winning tally by Anzai. Anzai took a pass from Satch Fujimoto at the Yamada blue line, stepped around the Yamada defense and let go a hard rising shot from an almost impossible angle which handcuffed, goaltender, Bob Yoshiki and found its mark just under the crossbar on the far side.

The defense combination of Anzai and Fujimoto were the choice of the Insurancemen as each gathered three points on the afternoons work. Anzai added an assist to his two goals while Fujimoto set up three of the Mickey Sato goals.

The victory put Mickey Sato in a commanding position 11 points atop the league standings with nine games left to go in the schedule.

In the second game at George Bell Arena last week, Main Auto Body kept pace in the three way fight for second, third and last place by out-skating, out-hustling and out-scoring Komori Auto Body 4-1.

Wayne Kimura was the top marksman for Main as he fired two first period goals. Tommy Takemura and Peewee Furukawa added the other goals for the winners.

Al Masukawa tallied the lone Komori goal on an picture setup from Major Fukumoto.

Right from the opening face-off Main checked fiercely and constantly bottled the Komori squad in their own end. Throughout the game Komori fired only a half-dozen shots on Main goalie, Jerry Yamashita.

BLUELINE NOTES: Players may purchase "pro" model sticks from the league at $1.75 apiece. Those wishing to obtain a stick contact Al Masukawa before the game next week.

## Kamloops' J.C. Eyes Vancouver Judo Crown

KAMLOOPS, B.C.—There will be a new champion crowned this weekend at the 11th annual Vancouver Judo Tournament in Vancouver's Garden Auditorium, and unless a number of surprising upsets take place, the new champ could be none other than Kamloops' own Yosh Yoshida.

Defending champion Fred Matt will not participate in the tournament this year, thus leaving the door open for an estimated 199 or more competitors from 17 B.C. and United States clubs. But Yoshida, who reached the finals last year only to lose out to the heavier Matt by a narrow decision, remains the big favorite.

Matt, a third degree black belt holder and two time Canadian champion, completely dominated the tournament for years.

In today's competition, eliminations are slated to get underway at 1 p.m. in both junior and senior events and the finals go at 7:30.

Vancouver's own Tamoto club will enter nine black belt holders, while Victoria will have three in attendance. Other clubs entered include: Hastings, UBC, Steveston, New Westminister, Chemius, Kelowna, Vernon, Penticton, Revelstoke, Ashcroft, Seattle, Portland, and Kamloops.

Besides Yoshida, the local club will send two junior judo artists in the persons of Shugi Tabata and Eddie Yabuki.

Kamloops will also have entrants in the British Columbia Judo Tournament which takes place next weekend at Vernon.

## Okinawa Karate Expert To Visit Toronto

TORONTO.—The holder of one of the highest Karate degrees, Tsuyoshi Chitose, of Okinawa, 10th degree, will be coming to Toronto for the Sportsman's Show and to give instructions at the Tsuruoka Dojo in late February. Mr. Chitose is now teaching the art of Karate in Hawaii.

Mr. Mas Tsuruoka, who opened the first Canadian Karate Dojo at 1449 Queen St. West last May received his formal training from this Okinawan expert, while in Japan.

Mr. Chitose, who is 64-years-old will appear for three days at the Sportsman's Show which takes place in the Coliseum at the CNE grounds from March 9-17. He will also give many pointers to degree holders and non-degree trainees during his Toronto stay.

Those who wish to obtain pointers from Mr. Chitose may make arrangements with Mr. Tsuruoka.

# 二世技師が努力
## カナダから日本へ生ワク届く

【東京發】日本から小兒マヒを完全に追放するため厚生省では昨年につづいて、全國のこどもに生ワクチンをいっせいにのませる計畫を進めているが、その最初の「Ｉ型ワクチン」千七百万人分が二十六日羽田空港着のカナダ航空機でカナダから届いた。ことしの生ワクチンは昨年のソ連製ポンポン・ワクチンとは違ってカナダ・トロント大學のコンノート研究所でつくられたシロップ狀のもので、生后三ヵ月から小學校六年生までのこども全部（千七百万人）に投與するもの。

（日本がカナダから生ワクチンを注文することについて、コンノート研究所の新研究分所主任者である二世技師、島田フランク氏が昨夏渡日し、カナダ製ワクチンの特性を政府側に納得させ、今回のばく大なるワクチンの購入となつたもので、價格的にも多額な藥品輸出である。島田氏はコンノート研究所の第二地位を占める有能なテクニシャンで、前途が嘱望されている）

# 北九州五市の合併
## 對等で『百万都市』の誕生へ

【東京發】北九州――。關門海底トンネルで本州と結ばれた九州の最北端。筑豐と"大陸"を背殼にして育つたわが國四大工業地帶の一つである。神戸より狹い土地に、東から門司、小倉、戸畑、八幡の四市と、洞海灣をへだてて、若松の合せて五つの市が肩をよせ合つて乘つかつている。いずれも人口十万から三十万の中都市。その五市が合併して、ことしから來春にかけ、六大都市につぐ百万都市をつくろうというのである。

△五つもの都市が對等で合併するということは世界でも例がないといわれ、自治省や都市學者は、都市づくりの新しい形式として全國的な都市合併の動きを促進するのではないか、と注目している。新市は多核都市でもある。一つの都心を核に同心圓狀に廣がつた都市とは違い核となる五つの中心部をもち、都市機能のマヒする心配のない多核都市こそ新時代の都市――と期待する學者もある。

△そして市民生活からすれた行政の壁をとり拂い、各市の二重投資をやめて近代的大都市をつくろう。戰後經濟の變化で、成長の鈍つた工業地帶には新しいエネルギーを――これがそのねらいである。

## 東京支社主催の座談會(一)

出席者——
○…平林幸男氏(貿易)
△…是永勝太郎氏(銀行)
×…中村哲氏(藝能)
司會—本社東京支局、露木海蔵
ところ—東京驛八重洲口國際観光ホテル
とき—一九六一年十一月二十九日

司會 露木—本日はお忙しいのにお出でを願い、本當に有難う。同じ都會の屋根の下に住んでいても、なかなか會う機會が得られません。中村君とはもう二年も會わなかつたかナー。今、平林君と中村君の挨拶を見ていても、ユキー、サリーといい合いながら、久しぶりのように見受けられました。この外にリーダース・ダイジエスト東京支社の高橋一雄(フレッド)君が出席する約束でしたが、かぜをひいて今日は休んでいるのです。

今日は皆さんから、肩のこらない話を伺つて、それをニューカナデアンの特別号に送りたいと御集まりして頂いたのです。一口に二世といつても、時代の層があるように思います。あなた達はカナダ生まれの日系人として日本に進出した人達であり、昔カナダに渡った[illegible]日本に來た開拓者であり、戦後の二世とはその層を異にしているようにも思えます。したがつて開拓者に似た君達のその人生行路にはいろいろの苦心があつたと思いますので、その話から一つ……。

○平林—私が日本に來たのは一九三四年でした。晩市のキング・エドワード・ハイ校を卒えても、その頃はこれという仕事も見つからず、パウエル街をぶらぶらしていても初まらぬと思つていた。親も『お前達若いモンを見ているとあぶなくてやりきれん。日本に行つて兵隊にでもなつて、しつかりきたえたらいい』という。自分でも一ツ日本に行つてみようかと思つていた時だから、やつてきたがね—、ピクピクしながら。

でも來た當座はこづかいもあつたし、珍らしいので—やがてスイス系の貿易商の下で働いたのが、今の商賣の一ツの動機になつたといえるが——

その頃の日本は軍国主義の謳歌されていた頃であるから、勝手の異なつた生活と身邊でウンと苦勢した。むかしカナダに渡つた日本人が、字引をポケットに[illegible]と聞かされていたが、私は和英と英和の辞書をポケットにいつも入れていた。それがボロボロになると新しいのにかえる。無中になつて日本とか日本語の勉強、特に習字はつらかつた。

△是永—僕も同様だ。日本の社會にとけ込むのに苦勢したね。自分の將來のために自分で苦勢をするのは當り前だと若いときから思つていた。バンクーバーでハイ校當時の夏休みに、日刊民衆の配達をしたことがある。あとで親父に知れてウンと叱られた。親父が民衆嫌いでネー。親父に『働きたい意志をやめさせるのか』といつてやつたら、親

### 出席者の紹介

平林幸男氏(五〇)
貿易商、東京都中央區日本橋一ノ二、九三トレーデング株式會社副社長貿易擔當。自宅—新宿區百人町三ノ三三九。京子夫人(四五)と二男一女あり。

父はそれからなんにもいわなくなつたよ。

親父はなくなる。(一九二八年)ビーシー大學は卒業したが、とにかく日本に行つてと、一九三二年にやつて來た。當座は親父の關[illegible]事をやつていたが、何から何までまごつくことばかり。ヒマさえあれば日本語の勉強、それに日本生活の習慣、ソロバンの珠の動かし方には苦勢したよ。しばらくしてナショナルシチー銀行大阪支店に入つて、そのまま銀行畑に廿七年となつたがね—。今でも苦勢しつづけだよ。

×中村—僕の方は少し樂であつたようだ。一九四〇年、露木さんが松竹映画と契約に日本に來ていた時だ。秋深き十一月突然に——。

露木—映畫の題名みたいだね。——船から迎えに來いと打電してきたから横濱に行つた。乘客は全部降りても中村君は一人殘つて私を待つていたね。あの時は、あの日上陸第一歩の中村君をつれて晝飯を食いに伊勢崎町のレストラントに行つた。給仕の女の子が、みんな中村君にうつとりと見とれているのだ。當時はもう体格のよい若いもんは皆兵隊にいつて、男ひでりであつたからネ。そこに、世にもマレなる氣はやさしくて力持ち中村スーパーマンが突然に若い女達の前に降りたのだから——(大笑)他のお客さんは放りつぱなしで女の子は中村君ばかりジーと熱っぽく見つめているのでね。こっちはポカンとして。

×中村—とにかく、あの時は厄介かけました。——

僕は藝能關係の勉强のつ[illegible]は苦勢したが、ジョージ(是永)やユキ(平林)とは一寸異なつた社會であつたから。

### 家庭ヒント

△ちよつとしたヒントをお知らせいたしましよう……
(一)ピーナッツをこまかく刻んでバターとねり合わせると、おいしいピーナッツバターができます。市販のピーナッツバターよりさつぱりした味です(二)あたためた牛乳にハチミツを入れ、ウイスキーを少量おとすと、暖かくて榮養のある飲みものができます。(三)みじんに切つたハムとチーズを卵黄とねり合わせてパンにはさみ、フライパンで両面を焼くとお酒のおつまみになります(四)レモンやミカンの皮など、表面に色がついている部分だけをこそぎとつてこまかくきざみ、漬物につけ込んだり、煮込料理に少し入れたり、薬味にすると香りがよく風味を増します。

## 問題の共同聲明 社會黨攻撃さる

### 自民黨が"賣國的行爲"と詰る

【東京時事通信】自民黨は今週、さきの社會黨訪中使節團が北京で行った共同聲明に對し、大要次の如き批判を行った。

（一）共同聲明は"淺沼發言"を再確認したが、これでは社會黨は完全な中共の代辯者であり、その積極中立主義はぎまんに過ぎない。

（二）日本・カン國會談反對や日米安保條約廢棄に中共の支持を求めたことは中共の日本に對する内政干渉を誘導したもので、重大な賣國的行爲である。

（三）外交權をもたぬ野黨が外國の政府當局ないし政府機關と外交政策について共同聲明を出したことは世界にも例がないと非難、社會黨が日本の公黨としての立場から反省すべきことを求めている。そして自民黨としては、あくまで國連中心主義の立場に立って、中共との關係は民間ベースとよる經濟、文化の交流を通じて改善をはかるべきだとの態度を明らかにしている

### 社黨反論

社會黨は自民黨が發表した『社會黨の訪中共同聲明に對する見解』につき次のように今週發表した。

共同聲明は社會黨が主張してきた積極中立政策に對する中國の共鳴を求めたもので、社會黨の主体性は一貫している。こんにち、社會黨が中國との間に國民外交を開き、日中友好に努力することは政府當然の義務であり、自民黨こそ責められるべきである。

## 皇太子ご夫妻インドネシア着

【東京時事通信】ジャカルタ電によると、パキスタンでの日程を無事終えられた皇太子殿下ご夫妻は三十日午後、第二の訪問國インドネシアのジャカルタに到着された。皇太子ご夫妻は空港でスカルノ大統領と握手、市民の熱狂的歡迎を受けた

## "玉の輿"はただの夢 ドイツ娘に警告發す

【西獨ボン】西獨政府が支持している厚生グループは今週、西獨内の未婚婦人に對し『お金持ちの回教者のワイフになろうとする夢はアッサリすてるべきだ』と警告を發した。これは西獨内の若い婦人がアラビア人のお嫁さんになり、黄金殿でパラダイス的な生活を樂しめる、と夢を見る者が多いのにおわてたためである。

△それというのは、この間西獨新聞に『未婚者で二十二才以下のヨーロッパ婦人がアラビア人の第四十二の夫人になりたい者を求む』という廣告が出たのに、どっと二千名のドイツ婦人が志願した。これを機に婦人間ではチャンスがあればお金持ちのアラビア人のワイフになれるというわけで、玉のコシをネラう者が多くなった。

△西獨政府としても放任しておけず『アラビア諸國をみて回ったドイツ人によると、歐州婦人がアラビア人と結婚した者もいるが、彼女らはハーレムの一女性としか待遇されていない。黄金でつくった浴室や寢室を提供されていると思うのは大きな誤りだ』と警告したわけ。

## 一人が六五万圓

### ＝あきれる大學入校支度金＝

◇諸事値上がりの世の中とはいいながら、今年の私立大學の授業料値上げはすさまじいばかり。文科系で五万圓、理工系で八万圓、齒科では十五万圓という最高記録が生まれるありさまだ。

◇これに加えて、入學金十万施設擴大費として別に五十万圓などというところもある。しめて新入學生の支度金一人前六十五万圓というのが現われるにいたってはたいていのオヤジ族はスネどころか、頭からカジられてしまいそう。

◇それでも入學志願者がつめかけるのだから、日本人もずいぶんフトコロぐあいがよくなったとみえるといいたいが、ここまでくると"大學の繁栄"もどうやら高級料亭やキャバレーの繁盛ぶりに似てきた感がなくもない。

◇施設はたしかに"擴充"され收容人員もふえるだろうが、しかし大學が大きくなればなるほど、大衆とは縁が遠くなるばかりというのではあまりに皮肉すぎるではないか。

◇アメリカで大型車の賣れゆきが減り、小型車の人氣が急に高まったのは、急上昇する教育費をひねり出そうという中流家庭の涙ぐましい努力も原因のひとつだという。日本ではタクシーも電車もやめて、自轉車に乘るとするか。（東京發）

## "同胞をケナした"と中國系議員たたかる

【オタワ發】唯一の東洋人系代議士ダグラス・ジャング氏が先週、自分のオフィスで用事のため議席についていないとき、エヤハート・レジェー議員（新民主黨）が議會で在加の中國人系の不法入國について言及、オタワ現政府は忠誠な數万人の中國人をひきずり出して天下に恥をさらし、加えてある一議員はこの政府のやり方に味方して、同國人の"ハジの上塗り"をやっていると非難した。

△これに對し、保守議席側から『レニーム』と呼ぶ者がいたが、その翌日、ジャング議員は議事進行中であったが『一言釋明したい…』と起ち『私は同胞中國人をケナすようなことは一つもしていない。私は私の人種的背景を誇りとしており、カナダ人であることを更に誇りとしている。私は前日一議員が述べたような言葉を決してこの議場でいわないつもりである』と語ればヒヤヒヤと與黨側から賛同の聲がとんだ。

## 伊藤水產廳長官オタワへ

【東京時事通信】伊藤水產廳長官は二月七日から十日までオタワで開かれる北太平洋オットセイ委員會第五回年次會議に出席のため、二月四日出發する。歸國は同十四日。

## 東部各地記録的な寒波

△先週末から今週いっぱいオンタリオ州は記録的な寒波の連續的來襲で、とくにトロントを中心とする地域は零下という酷寒は珍しいこと。オ州北部のチミンズ市は零下五十度という寒さ南端のウインザーでさえ零上九度とさがった。

△さいわいオ州全土はこの期間中、少しばかりの降雪で、ハイウェー交通に支障はみられなかったが、ト市方面では多數のカーのエンジンがかからず、トー・ツラックはてんてこ舞いの繁盛この寒さはケベック州にも襲い、ローレンシャン地方は零下五十度、電線が切斷して電燈なしというところもあったが、その后修理されて點燈した。

△この寒さは來週あたりから幾分やわらぐことになろうと予報されているが、これにくらべてアルバータおよびビーシー州は氣温四十度ないし五十度という、うらやましい暖さに惠まれている。

## ケ司法長官訪日

【東京時事通信】ロバート・エフ・ケネディ米司法長官夫妻は植木法相、大平官房長官および"ケネディ夫妻歡迎日本青年委員會"の招待に應じ、二月四日から十日までに日本を訪問する。

## ピ議員が提言 二つの國旗を

【タベッタ發】ピッカースギル議員（前移民大臣）は當市において今週『カナダは英系と佛系人を滿足させるために、二つの異った國旗を持ってはどんなものだろうか』と語った。同議員は、カナダは昔からフランス語と英語を公用語として別に不思議に思っていないのだから、二つの國旗をつくっても悪いというわけではなかろう、というのである。

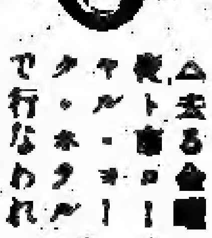
## アルジェル四銀行襲わる

### 秘密軍隊の手先テロ團に

【アルジェー發】秘密軍隊機構の手先として働いているとみられるギャングスターは三十一日、アルジェー市内の四銀行と二名の現金送達人をホールドアップした。同様の強盗團七名はオラン郵便局を襲い、現金十三万弗を奪って逃亡した。警察當局では秘密軍隊が軍資金に欠乏のためギャングスターを使ってのホールドアップかそれとも各銀行に現金が多額にあるうち、盗み取っておこうというのだろうとみている。ギャングスターは携帶機關銃を所持していた。

## カナダの小麥貯藏 危險線に低下

【ジュネーブ發】國連小麥會議でカナダ代表は『カナダの小麥貯藏量は急速に減少しており、今年七月末では最低貯藏量に達するであろう』と警告した。これは平原諸州がヒデリのため小麥が予期に反して不作であったと共に、小麥の需要が増大したためである。カナダ代表はここ二、三年以内には十分の小麥貯藏を行ない得ると述べた。この小麥會議では七月末で契約切れとなる國際小麥協定の更新について協議しているもので、日本も參加している。



△去る金曜夜ト市のロイヤル・ヨーク・ホテルで行なわれた世界的スポーツ人晩餐會（純益は不具児童事業に寄付）に、柔道界の人氣者、煉下四段も出席、テレビ・キャメラに収まった。◆米國の人間衛星打ち上げは二週間延期される事になったおそらく二月十、三日ころに打上げることになろう。△米海軍はじまって以來、最初のネグロ艦長が誕生。今週[illegible]艦長にサムエル・エル・グレイブット中佐が任命された。

# Japanese Conductor Makes Brilliant Debut

By ERIC McLEAN
Montreal Star

MONTREAL.—In the concert world, the word "cancellation" has a particularly ominous sound. Since good musicians have their laid months, even years in advance, it is a serious problem to find a suitable replacement in mid-season if one of them is unable to fulfill an engagement.

At the same time, Montreal has learned that a cancellation can have happy results, which has been the case at least twice in the last two years: one of these situations led to the engagement of our Resident Conductor, Zubin Mehta; the other has brought us an extraordinarily gifted young Japanese conductoor by the name of Seiji Ozawa, who led the program at Plateau Hall. Sir Eugene Goosens, who was to have been the conductor for this pair of concerts, was obliged to cancel his North American engagements because of illness.

Ozawa apparently decided to make his Montreal debut the hard way, because there was nothing easy on his program. Beethooven's first Symphoony, in spite of the apparent simplicity of its classical mold, is a treacherous piece of writing, particularly in its two outer movements, and the five extracts from Prokofieff's ballet "Romeo and Juliet" make great demands upon both the orchestra and conductor, as does, of course, the "Symphonie Fantastique" of Berlioz.

At the age of twenty-five, Ozawa has already developed a masterly technique. Although he conducts with his whole body, there is no suggestion of superfluous movement or a deliberate podium "act." All of it is pertinent; every gesture evokes a response in the orchestra.

Memorizing a program such as this is taken so much for granted these days that we no longer wonder at it. But his grasp of these scores, beyond the succession of notes, was amazingly mature. I remember particularly the performance of the "Romeo at Juliet's grave" and the final "Death of Tybalt" in which he achieved much more than the automatic effects of Prokofieff's dramatic writing.

There were memorable moments in the Berlioz symphony as well, in which he managed to draw a full and beautiful balanced sound from the orchestra. The witches' sabbath of the finale was brought off with hair-raising effect.

My one criticism of the Berlioz has to do with Ozawa's beat which I found a little too measured, and not quite flexible enough for the pastoral movement. But there's no doubt in my mind that he will acquire this sort of give and take in his phrasing with time.

Ozawa is not yet such a veteran that he has learned to be casual about his first appearance in a strange city, and it was probably his eagerness to prove himself that led him to take the opening Adagio and the second movement of the Beethoven a little too quickly. But it was always in control, and it seemed to me that the last movement was given as satisfying a performance as I have heard.

From all this, you may gather that Seiji Ozawa is heading for a place among the big league conductors. Within my memory, there has been no more promising candidate for the position since Zubin Mehta's debut.

## Pros vs Amateurs . . .

Continued from page 1

many teams to collapse over this span have been the Nisei Sooner football team, Double-S-Tile hockey club, and the Western Baseball squad. In addition the annual Toronto-Hamilton Basketball Tournament no longer exists and the Nisei Sunday Baseball League is fighting for survival.

All this brings me to the point of commenting of the poor lack of support shown by the Japanese community towards the newly organized Toronto Nisei Hockey League. I am sure that it is not lack of interest in hockey that has resulted in the poor attendance at these games for the majority of Japanese Canadians are sports minded and are especially enthusiastic about our National pastime.

Each week since the inception of the league back in October some fifty-five Nisei and Sansei fellow have being paying $1.25 each for the rental of the ice and are now in the midst of a very successful season of hockey. The league was fortunate in gaining the support of four sponsors, Komori Auto Body, Mickey S. Sato, Yamada Studio and Main Auto Body, who willingly purchased sweaters for the teams.

Now if these fellows are willing to pay $1.25 apiece to pay for the ice and the sponsors are generous enough to outfit the teams, then is it too much to ask the rest of the community for a little support. If 100 people turned out each week during the 22 game schedule (plus the all-star game and the play-offs which would perhaps run the total to 30) it would take only 3000 people out of this community of over 8000, to add a little color and interest to the games throughout the year. All we (the league) ask is that you come out now and then to see for yourself that amateur sports has not lost any of its interest or thrills from those Powell Ground days and that sports, be it hockey or any other activity, keeps young people occupied at a worthwhile activity. As a well known hockey phrase goes; "Hockey prevents hookey." This could very well be interpreted as; "Hockey keeps young people out of trouble."

So, support minor and amateur sports, and as Japanese Canadians support Nisei and Sansei athletic activities. You might find that the one fellow who was kept on the right-side-of-the-tracks because of it, is your own son.

## Canada, Japan Expected To Play Chief Roles In European Common Market Negotiations

WASHINGTON.—A U.S. official said Canada and Japan would be expected to play key roles in negotiations to reduce tarriffs with the European Common Market.

This official, prominent in the administration said that if President Kennedy's new trade bill is approved by Congress, tariff reductions negotiated between the U.S. and the Common Market would benefit all the free world's trading area.

But he emphasized the U.S. would hesitate to undertake major tariff negotiations with Europe on highly valuable categories of goods of particular benefit to Canada and Japan if these countries do not agree to provide tariff concessions of their own in return.

### USE PRESSURE

If trade pressure is required to get these countries to provide concessions, then this pressure would be exerted, the official added.

"We would expect them to be at the conference table when we start new bargaining with the Common Market."

Kennedy's new trade bill will be submitted to Congress. It will propose the president be armed with bargaining power to eliminate U.S. tariffs gradually during a five-year period on products in which the U.S. and the Common Market combined supply at least 80 per cent of the world's trade. Duties on other categories would be reduced by 60 per cent.

### CATEGORIES CITED

The official said the categories in which tariffs might be eliminated completely would include industrial hard goods—machinery, vehicles, heavy electrical equipment and similar products.

The administration wants to cushion the impact of change not only on affected U.S. industry but also on industry abroad.

Federal aid would be provided to U.S. industry hurt by lowered tariffs but the president would not consider such potential injury as a barrier to tariff reductions.

## Meets Trouble In Women, Drunks & Cops

URAWA, Japan.—Akujiro Sakata, a 42-year-old fish-monger here, saw four drunks chasing and molesting three women recently and ran to the nearest police station for help.

But when Sakata got to the station he ran into 21-year-old policeman Yuji Ikuata, drunk and in civilian clothes.

Instead of rescuing the four women the drunken policeman took Sakata outside and beat him so badly he ended up in the hospital.

Ikuata was fired from the police force and Sakata is still recuperating from the beating.
